1. Midshipmen Social

The University of Wisconsin NROTC is honored to be hosting its 50th annual Fall Drill Meet. This year we will be hosting a Midshipmen social on Friday, 22 September 2023, at 1800 until approximately 2000. The purpose of this social is to allow Midshipmen to develop fellowship amongst each other that will carry into future military service. The social will consist of food, games, and opportunities to explore the University of Wisconsin NROTC unit.

The University of Wisconsin NROTC thanks you for your cooperation and looks forward to seeing you at its 2023 Fall Invitational Drill Meet.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

Summary of Events: The University of Wisconsin Naval ROTC 50th Annual Drill Meet will be held on Saturday 23 September 2023. The following are short descriptions of each event.

2. Platoon Drill Competition

Team Size and Organization: The size of the unit for Platoon Drill will be no less than 14 members and no more than 20, including a unit commander and platoon guide. NROTC Units can request exemptions to this rule by contacting the University of Wisconsin Assistant Marine Officer Instructor (AMOI). The team will be organized into three squads with each member of the Platoon armed with a rifle. Authorized rifles for the competition are the demilitarized M1, M16, or Springfield 1903. A platoon guide is required to carry a standard eight-foot (8') staff with unit guidon. The unit commander must be a fourth, third, or second class MIDN. He/she will carry a rifle at right shoulder arms. Each school may enter one team in the Platoon Drill competition.

Uniform: NWU or MCCUU

Drill Card: The platoon drill card is located below. **Drill Card 1 will be used for Platoon Drill.** All movements will be executed in accordance with current MCO 5060.20. Any questions that are not specifically addressed in the order can be clarified by contacting **the University of Wisconsin AMOI** prior to the event.

Drill Area: The drill area for the Platoon Drill competition will be a 100-yard by 50-yard surface marked by cones in each corner. As in past years, the surface will be field turf.

Platoon Inspection: The Platoon Inspection will be held after FRIPO.

Tie-Breakers: In the event of a tie, the winner will be determined based on the Unit Leader score. If Unit Leader scores are also tied, the platoon with the best Platoon Inspection score will be the winner.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

3. Squad Drill Competition

Team Size and Organization: The size of the unit for the squad drill competition will be no less than seven participants and no more than ten, including the squad leader. Each squad member is required to carry a rifle (see Platoon Drill for authorized types). The unit leader must be a fourth, third, or second class MIDN. He/she will carry a rifle at right shoulder arms. Each school may enter up to two teams in the squad drill competition, with only their top team's score counting towards determining the overall winner of the drill meet.

Uniform: NWU or MCCUU

Drill Card: The squad drill card is located below. **Drill Card 2 will be used for Squad Drill.** All movements will be executed in accordance with current MCO 5060.20. Any questions that are not specifically addressed in the order can be clarified by contacting **the University of Wisconsin AMOI** prior to the event.

Drill Area: The drill area for the Squad Drill competition will be a 50-yard by 50-yard surface marked by cones in each corner. As in past years, the surface will be field turf.

Squad Inspection: The Squad Inspection will be held after FRIPO.

Tie-Breakers: In the event of a tie, the winner will be determined based on the Unit Leader score. If Unit Leader scores are also tied, the squad with the best Squad Inspection score will be the winner.

4. Color Guard Competition

Team Size and Organization: All NROTC color guard teams will consist of five members: three color bearers (National Ensign, Navy Colors, and Marine Corps Colors) and two riflemen. All color guard teams from other branches (Army, Air Force) shall consist of at least two-color bearers (National Ensign and Service Colors) and two riflemen. Each school may enter up to two color guard teams in the competition, with only the top team's score counting towards determining the overall drill meet winner.

Drill Card: The color guard drill card is below. All movements will be executed in accordance with current MCO 5060.20. Any questions that are not specifically addressed in the order can be clarified by contacting **the University of Wisconsin AMOI** prior to the event.

Drill Area: The drill area for the Color Guard competition will be a 30-yard by 30-yard surface marked by cones in each corner. As in years past, the surface will be field turf.

5. Rifle/Pistol Competition

Overview: The UW Madison Naval ROTC rifle/pistol competition will take place at the University of Wisconsin Police Department Shooting Range. The course of fire is listed below.

Uniform: Participants will wear khakis and unit polo. Jeans are allowed if desired, but **MUST** change back into khakis after shooting. This is an outdoor range so dress appropriately in accordance with the weather.

Weapons: Pistol teams will be using a 9mm pistol. Rifle teams will be using an AR - 5.56 and iron sights.

Team Size: 4-8 participants. There may be one team for both rifle and pistol, or four for the pistol portion and four for the rifle portion.

Rifle

1. A quarter course will be fired with 5 rounds in each of the three basic positions: Prone, Kneeling, and Standing. All shooters must start in the prone position.
2. The distance is 50 feet.
3. The targets will be issued to team captains. **Ask the University of Wisconsin AMOI about targets as they will be different from last year.** Each shooter will label his/her target with their name, school and position.
4. There will be a 5-minute preparation period to allow shooters to set up mats, scopes, or other equipment. The shooting portion will be 15 minutes and begins when given the command targets. This time includes position changes and any spotter shots taken.
5. An unlimited number of spotter shots are allowed for each position, however if a shooter has a flyer (a shot that is outside the spotter ring), it will be scored as a miss to the closest bullseye.
6. Shooters will use range ammunition.
7. Each team member must provide his/her own shooting accessories (spotter scopes, shooting mats, etc.)
8. Ties will be broken by the number of bullseyes in the standing position.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

Pistol

1. In a time limit of 15 minutes, shooters will fire 15 rounds using 3 magazines of 5 rounds each. Shooters will load and unload on their own.
2. Shooters may use the one-handed Olympic style technique, the two-handed thumbs forward technique, or the two-handed interlocked thumbs technique.
3. The order of the distances will be 5 yds, 10 yds, and 15 yds. Each shooter will shoot 5 rounds at each distance before transitioning to the next distance.
4. The targets will be issued to team captains. **Ask the University of Wisconsin AMOI about targets as they will be different from last year.** Each shooter will label his/her target with their name, school and position or stage.
5. Shooters will use range ammunition.
6. The weapon will be in the ready position prior to any stage of fire (**DEMONSTRATE READY POSITION**). The weapon will not be brought up until you hear the command "Targets." You are not authorized to use any form of artificial support while firing.
7. Alibi rounds: If a shooter has legitimate alibi rounds the shooter will be allotted an additional minute per alibi round.
8. Ties will be broken by the number of bullseyes.

Information Packet

6. Urban Adventure Race

Overview: The UW Madison Naval ROTC Urban Adventure Race (UAR) will start and finish at the UW NROTC Unit located at 1610 University Avenue, Madison, WI. The course will cover most of the campus area. Teams will be under constant supervision and may be observed by spectators throughout the course.

Team Size: Teams will be composed of 4 participants, and at least one team member must be female.

Uniform: Participants will wear Navy or Marine Corps approved boots (Navy coyote boots are allowed), Woodland MARPAT or NWU Type III trousers, and unit PT shirt for the race. It is required that each member of the team wear a glow belt during hours of darkness. Each individual must carry their own water, Camelbaks are recommended. Water and first aid stations will be provided throughout the course. One individual must be carrying a 45lb pack in-between exercises, and the pack may be traded off between team members. The pack is not worn during exercises at stations.

Course: The course length will be approximately 6.6 miles. The course will be continuous with teams stopping at various stations to conduct exercises. The UAR route and exercises are listed below.

UW Madison UAR Route and Workout Instructions

The UAR event will consist of a ~6.6 mile run with intermittent exercise stations. Before the race, each team will pack their own packs to their liking. The exercises will both be done as individuals and as teams. If an exercise or group of exercises at a given stop have the word “team” in bold after it, the reps may be broken up between the team members. If the exercise has the word “individual” after it, each team member will complete the specified number of reps at their own pace. The running distance between exercise stations ranges from about 0.2 miles to 2 miles. A bike marshal will be with every team to ensure the correct exercises are done, and the right route is taken. Within the course, there are two water stations and two safety observer stations. Below is a list of exercises that will be completed throughout the race. (Note: For the rope climbs, use a safe and controlled method to descend the rope. Do NOT slide down the rope. Any attempt to slide down will be met with a 1-minute deduction from the total time.)

List of exercises

- 8 rope climbs (2 weighted) – **team**. Each member will complete 2 climbs with one member completing their climbs in a 25 lbs. weighted vest.
- 100 lbs. dumbbell farmer carry around Dejope Field (~400 m) - **individual**
- 400 ammo can presses - **team**
- 75 second partner wall sit - **individual** but performed as a team
- 100 meters of broad jumps followed by 100 meters of lunges - **individual**
- ~2 mile ruck with 40 lbs. rucksack - **individual**
- 200 burpees subtracting # of air squats performed in 5 minutes
- 55 pushups x 55 jump squats x 55 sit ups x 500 m run - **individual**
- ~100 m of bear crawl, army crawls, and tire flip - **individual** with tire flips being performed as a **team**

- 1 fireman carry and 3 Bascom Hill laps
- 50 pull-ups and 4 rope climbs - **team**. Each member will complete 1 climb with one member completing their climb in a 25 lbs. weighted vest.

UAR Event List

1. The event will begin with (8) combined team rope climbs. Each member of the team must climb the rope twice. Two of the rope climbs must be completed while a team member is wearing a 25 lbs. vest. If a team member is unable to complete a rope climb, each member of the team must perform 30 jumping squats as **individuals**.
2. After the rope climbs, the teams proceed out the side hatch and will follow the bike marshal over the white bridge to Dejope Field where they will execute 1 x 100 lbs. dumbbell farmer carry around the perimeter of the coned field as **individuals**. A 50 lbs. dumbbell will be carried in each hand.
3. After the farmer carries, the team will perform 400 ammo can presses as a **team** before following the bike marshal 0.25 miles up Observatory Dr. to Observatory Hill.
4. The teams will then continue in the same direction down Observatory Dr. and take a right at N Charter St. and head to the bottom of the steps between Van Vleck and Ingraham. At the bottom of the steps, each team will hold a 75 second partner wall sit (partners lean backs against each other). Failure to hold the wall sit will result in 15 diamond pushups to be completed as **individuals**. Bike marshals will walk their bikes up the stairs as the team performs the partner wall sits.
5. Once the teams reach the top of the stairs, they will be instructed to run down Bascom Hill and take a left on N Park St which brings them onto Lakeshore Path. The team will then run along the Lakeshore Path until they reach the Near West field. At the field, they will carry out 100 meters of broad jumps followed by 100 meters of lunges back as **individuals**.
6. The teams will then continue to run along the Lakeshore path to the entry of Picnic Point where they will pick up a necessary piece of equipment for their next evolution.
7. Each member of the team will receive a 40 lb rucksack and will be instructed to ruck to the point and back (~2 miles). Any team with a member unable to complete in 25 minutes will penalize their team with a 2 minute plank as **individuals**.
8. When the entire team returns to the grassy area near the entrance of Picnic Point, the team will be given a 5 minute window. The team decides when to start the time and may take a rest as needed before starting. Once the 5 minute timer has started, every team member will perform air squats with every **individual** air squat performed subtracting from a 200 burpee **individual** total. At the end of the 5 minutes, if an individual has not completed 200 air squats, they must complete the remaining reps in the form of burpees. (Ex: An individual does 180 air squats, they would have to do 20 burpees)
9. The teams will then run back to the Band Practice Field along the Lakeshore Path where their next exercise awaits them.
10. Each team will be tasked with 10 descending sets of pushups, jump squats, and sit-ups to be completed **individually**. The first set will be 10 pushups x 10 jump squats x 10 sit ups x 50 meter sprint. The next set will be 9 pushups x 9 jump squats x 9 sit ups x 50 meter sprint

followed by 8 pushups x 8 jump squats x 8 sit ups x 50 meter sprint and so on. Teams will complete the exercise once they have completed the final set consisting of 1 pushup x 1 jump squat x 1 sit up x 50 meter sprint.

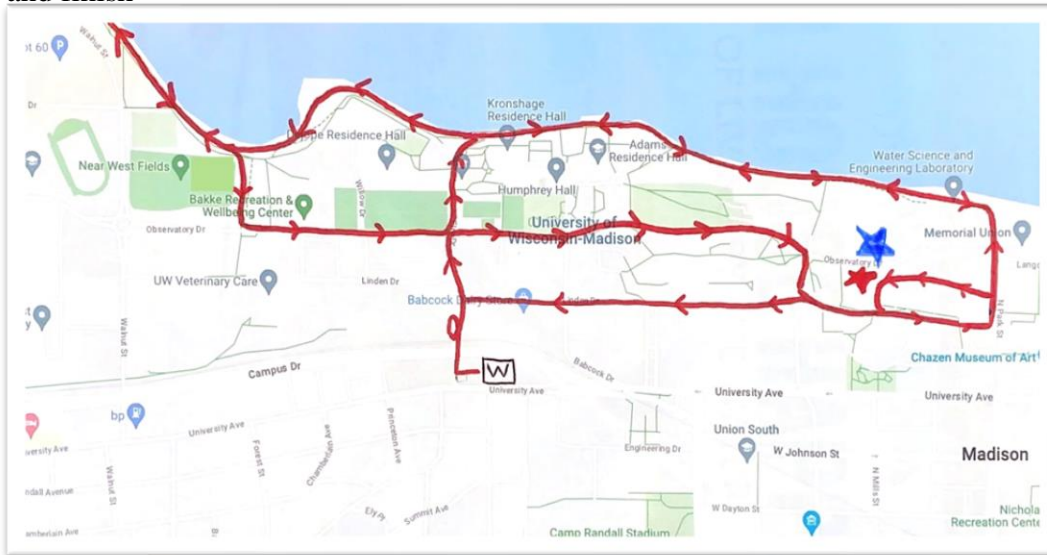

11. Teams will then cross over the field and run along Observatory Dr. to Dejope Field and complete one field length of the following movements as **individuals**: Bear crawl, army crawl, and finishing with tire flips **as a team**.
12. After that, teams will run along the Lakeshore Path until they hit N Park St which will take them to the bottom of Bascom Hill. Each **individual** will have to do 1 fireman carry up the hill and 3 complete Bascom Hill laps to move on. If any team member is unable to complete the fireman carry, the whole team will be penalized with running up and down Bascom Hill 3 times as **individuals**. Once they are finished, teams will run down the stairs located between Van Vleck and Ingraham at the top of Bascom Hill. Bike marshals will walk their bikes down the stairs as the team runs towards the stairs.
13. At the bottom of the stairs, teams will be instructed to take a left on N Charter St and then a right on Linden Dr. Once they reach Linden Dr. they will run down the street and then cross over the white bridge and return to the NROTC Unit for their final event.
14. The final event consists of 50 pull-ups as a **team** and 1 rope climb **individually** (1 must be weighted). If a team member is unable to complete a rope climb, each member of the team must perform 50 push-ups as **individuals**.

7. Flag Football Competition

Overview: The UW Madison Naval ROTC Flag Football Competition will be located at the Band Practice Field at 2001 Observatory Drive, Madison, WI. The Band Practice Field is approximately a 10-minute walk from the University of Wisconsin NROTC unit.

Team Size: Teams will be comprised of 8 participants and a maximum of 5 substitutes.

Uniform: Participants will wear Navy or Marine Corps PT shorts with unit PT shirt for the game. Sweat bottoms and sweat tops will be allowed. Participants must bring a pair of athletic shoes for the game. If an individual plans to wear cleats, please also bring athletic shoes as a backup. Each individual is responsible for providing their own water source.

Tournament Rules/Regulations:

- a) **Conduct:** Players are expected to demonstrate exemplary sportsmanship. Participants must respect other players, as well as the decisions made by the referees. All rulings on the field are final. Failure to respect referees or other players may result in dismissal from the tournament. Referees may choose to eject players and/or teams from the tournament at their discretion.
- b) **Arrival:** Teams must arrive 15 minutes before the start of the game. Failure to do so will result in forfeiture at the discretion of the Flag Football Tournament OIC.
- c) **Referees:** Teams must provide two referees to ensure fairness and that no referee is working a game for their own school. If a call cannot be agreed upon between the referees, the down will be played again.
- d) **Scoring:** Touchdowns will be 6 points with a chance for a 2-point conversion.
- e) **Time:** Each game shall consist of two 15-minute halves. The clock will only stop for penalties, out-of-bounds, timeouts, injuries, and incomplete passes.
- f) **Overtime:** In the case of a tie at the end of regulation, overtime will consist of each team getting a chance to score from the 20-yard line with only 4 downs. There will be no 2-point conversions during overtime. This will continue until there is a point deficit at the end of a pair of turns.
- g) **Mercy Rule:** If a team is losing by more than 40-points at any time in the second half, the game will end.
- h) **Tournament Bracket:** The bracket and the number of games each team will play will be based on the amount of interest in the event. The seed of each team will be based off the school's UAR finish time.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

8. Knowledge Jeopardy

Overview: Jeopardy will be played in one of the classrooms of the University of Wisconsin NROTC building. Questions will consist of Navy and Marine Corps general knowledge as well as science/technology, entertainment, history, and geography. A study guide will be provided for the potential questions regarding Navy and Marine Corps general knowledge.

Team Size: Teams will be comprised of 2-4 participants.

Rules and Regulations:

- a) Format: Two general rounds played, each with six categories and five questions per category. There may be an image or audio attached to the question that will be shown or played prior to the question being read. **Each school** is asked to submit 10 Jeopardy questions on any topic that may be used in the game. Note that the study guide will contain the majority of questions that will be tested. Question values in each category during the first round will range from 200 to 1000. Question values during the second-round range from 400 to 2000.
- b) General Round: Each team will be on a rotation to pick and answer a question. The rotation will be selected randomly at the beginning of each round. A team will pick a category and value to reveal a question. After the question appears and is read aloud by the host, the team will have 10 seconds to come up with an answer. During this time, any other team is allowed the buzz in if they know the answer. If the picking team is correct, they will be awarded points accordingly. If the answer is wrong, **then points will be deducted from the team's total points**, and the team who buzzed in first will answer the question. If they also answer incorrectly, then points will also be deducted from that team's total points. This will continue until the question is answered correctly or no team has the correct answer.
- c) Answer: Contestants will verbally give their answer in the form of a question, i.e. "What is...?" "Who is...?" "Where is...?"
- d) Final Jeopardy: This will be a written response question. Contestants will have 30 seconds to submit their answers. Before the question is sent out by the host, contestants will submit their wager based on available points.
- e) Scoring: Winner will be awarded in accordance with the highest score after Final Jeopardy. If there is a tie, a new question will be asked with a new wager.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

9. Max Pull-Ups Competition

Overview: Each participant will attempt a max set of pull-ups, which will be graded by the MOIs/AMOs of different units.

Team Size: The team size will be comprised of 10 participants with at least 1 female participant.

Uniform: Participants will be wearing Navy or Marine Corps PT shorts with unit PT shirts.

Race: Each member will jump up to the pull-up bar and perform as many dead-hang pull ups as possible. Failure to fully extend and/or get chin above the bar will result in no rep counted. The individual max pull-ups will be summed together, and the school with the most pull-ups will win the competition.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

10. Awards Ceremony

Execution: All units are encouraged to attend the awards ceremony which will be conducted after the conclusion of all events and the tallying of scores. If extenuating circumstances such as travel considerations exist, attendance is not mandatory, prior coordination of absence is required, and units will be obligated to pay for the shipping and handling of their awards if they are not present at the ceremony.

Uniform: Attendees of the awards ceremony will be in unit polo or service uniform.

Awards: Awards will be presented for teams placing first, second, and third overall. The top unit leaders in both platoon and squad drill, and the person with the most individual pull-ups in the pull-up competition will receive an Amazon gift card. Other events will have a variety of fun prizes.

Food

UW NROTC will provide food to **ticketed** participants, event graders, and staff on Friday, 22 September and Saturday, 23 September, which will be covered by entrance fee in accordance with the Official Registration Form. To keep costs low, a head count will be required from each participating unit. Tickets will be distributed to each school in accordance with that head count. Exchange of cash for food will not be supported for last minute additions. For those interested in purchasing food elsewhere, a variety of venues will be open across campus.

University of Wisconsin
Naval Reserve Officers Training Corps
Fall Invitational Drill Meet 2023
Information Packet

Overall Winner

The overall winner of the 2023 University of Wisconsin Fall Invite will be determined by adding all of the points for each team from each event together. Each event holds a different weight in determining the overall winner:

Platoon Drill: 175 pts
Squad Drill 150 pts
Color Guard: 150 pts
Urban Adventure Race: 175 pts
Rifle: 100 pts
Pistol: 100 pts
Flag Football: 50 pts
Jeopardy: 50 pts
Pull Ups: 50 pts

The number of points you get is determined by your place in the event consistent with the following:

First Place: 100% of points
Second Place: 85% of points
Third Place: 70% of points
Fourth Place: 55% of points
Fifth Place: 40% of points
Sixth Place: 25% of points
Seventh Place: 15% of points

For example, if your school competes in color guard, an event that has 100 points, and you get third, you will get 70 points added to your total score. Final scores are determined by adding up the total points. Maximum points you can get in the meet is 1,000 points if your school places first in everything.

Tie-Breakers: In the event of a tie 4 MIDN will be **RANDOMLY** selected from each school to hold a front plank. Last school standing wins. At the school's discretion MIDN who participated in the UAR or are injured may be replaced with another random participant.

Insufficient Teams: If units are unable to provide a team for a certain event, they will receive the equivalent of last place points for that event. For example, if there are 7 schools competing, but one school does not have a pistol team, they will automatically receive 15% of the points possible for pistol.

7 List account number(s) here (optional)	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.
- If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.
